Re: 2020 TOPSoccer Symposium RESCHEDULED

Given current travel and health concerns, the USYS TOPSoccer National Symposium has been rescheduled for August 28 - 30, 2020 in Kansas City, KS. Activities will be held at the same previously scheduled location with a similar agenda (subject to change).

Please contact your travel providers to reschedule your travel arrangements. If you are unable to attend the new dates, or have additional questions, please contact Tom Condone (tcondone@usyouthsoccer.org).

We would like to thank all of our USYS TOPSoccer participants for your ongoing support of USYS as we manage our programming given the current health and travel environment.

Please know that we will continue to watch travel conditions carefully and will proactively share updates if they impact our organization. The safety and security of our soccer community is, and always will be, our highest priority!

Further details regarding the impact of coronavirus on USYS programming will continue to be shared via official USYS communications channels.

Sincerely,

Tom Condone
