

JOB POSTING - Director of GK Development

COMMUNITY OPPORTUNITY DEVELOPMENT FUN RESPECT

Washington Timbers FC seeks a dynamic Director of Goalkeeper Development to join our technical leadership team. The Director of GK Development will oversee all goalkeeper training and development programming at Washington Timbers FC.

We seek a leader who brings the background, experience, and perspective necessary to lead our members to reach their full potential in soccer and life.

Job Duties:

- Collaborate with our technical leadership team to implement, evaluate, and improve our goalkeeper development environment.
- Lead goalkeeper training and off-field programming.
- Attract players and coaches to join our club.
- Engage club parents and members of our community in communication about our programs.
- Attract, develop, mentor and support quality goalkeeper coaches.
- Collaborate with club head coaches to support goalkeeper development within team environments.
- Coach one or more teams. Opportunity to coach ECNL Boys or Girls Academy level team for qualified candidates.

Requirements:

- USSF C License or high level playing experience as a goalkeeper.
- 3+ years club soccer experience.
- Professional administrative and communication skills.
- Demonstrated ability to manage a team of coaches.

Recommended:

- USSF B License or similar level goalkeeper specific training.
- 2+ years of club soccer leadership or equivalent management experience.
- Bachelor's Degree from an accredited college or university.

Salary: This position is potentially full time when combined with coaching a top team, and dependent on experience and qualifications. We offer competitive salary for leaders who want to relocate to Southwest Washington.

Deadline for applications: Open until filled. Target start date of Spring 2022.

If you are interested in the position, please submit your Cover Letter and Resume to Technical Director, Robin Bostwick at td@washingtontimbers.com.
