**Player Fee Guidance:**

At the APFM, the WYS Board of Directors plans to recommend a registration fee increase of \$2 per player for the 2024-2025 seasonal year, which Member Association Representatives will vote on at the meeting.

A huge thanks to the Association Presidents and / or Executive Directors who have provided input to guide this recommendation – and requested information to support it! It is WYS' intent to have ongoing dialogue with all Associations prior to the APFM to facilitate a collaborative process and create a shared understanding of both the need and benefit for the recommendation.

For those that we have yet to speak with and solicit input, we will follow up to schedule a time to meet. Thanks for your consideration for joining this process and sharing in the work to create a better soccer environment in Washington.

Wishing you and your soccer communities a safe and happy New Year and look forward to seeing APFM attendees on January 27<sup>th</sup>!

Sincerely,

**ROGER LEVESQUE**
